Philosophy IDEA College Preparatory (ICP) Donna recognizes that teaching, learning, and assessment are fundamentally interdependent. Our Diploma Programme is an open enrollment program which is accessible to all students in the school, regardless of prior academic performance. We believe that obtaining the IB Diploma is a great accomplishment. Nevertheless, all our students benefit the most from the learning experiences that

- is designed to encourage students' best work.
 Guiding Principles behind Assessment
 At ICP Donna, assessment is used to:
 - assess the effectiveness of the environment on the student's learning,
 - extend the student's learning,
 - monitor the progress of individual student learning and achievement,
 - determine the effectiveness of teaching,
 - inform curriculum review,
 - help evaluate

subject specific performance tasks used to inform instruction. Formative Assessment take place on a daily
